Discover why parents, teachers, therapists and health care providers world-wide find HANDLE helps.

Increase your potential for understanding yourself and those you care about, learn how to be “gentle” and honor signs of stress. HANDLE® stands for Holistic Approach to NeuroDevelopment and Learning Efficiency.

Enjoy a dynamic and interactive learning opportunity with Certified HANDLE Instructor Elizabeth Frishkoff. Participants will leave with innovative, practical tools they can apply in the home, clinic and school settings. Elizabeth was the first HANDLE practitioner on the East Coast and has been applying HANDLE principles over 18 years, thus has a tremendous amount of experience and expertise which enlivens this training.

Elizabeth Frishkoff, MSW, Certified HANDLE Practitioner and Waldorf graduate, applies the HANDLE approach in clinical, school and home-based settings. From preschool students to nursing home residents, she serves clients with a wide range of

life and learning challenges. She has a private practice is based in Great Barrington, MA, and consults throughout New England.

The HANDLE Institute® This training is offered in affiliation with The HANDLE Institute, a research and educational organization.

Advanced Registration Required:
