Is someone
you know
struggling
with learning,
attention, motor
or behavior
challenges?

Are you looking
for deeper
understanding,
new answers, and
how YOU can
help?

A 15-hour workshop for Parents and Professionals

- Understand what behaviors can reveal about neurological irregularities using the HANDLE paradigm
- Recognize subtle signs of stress and learn how to use Gentle Enhancement® to prevent crises and foster resilience
- Learn activities that enhance focus, reduce stress, and support learning
