This course is being held retreat style at Pendle Hill, a residential study center conveniently located just outside Philadelphia, easy to reach by car, train, or plane. Pendle Hill is situated on 23 beautiful acres with a mile long woodchip trail, ponds, and 140 species of trees and flowering shrub. Waysmeet House, our home during the course is located in the heart of Pendle Hill's Main Campus. We will meet from 9am to 6pm each day (with liberal breaks). Read more about Pendle Hill here: <http://www.pendlehill.org/host/waysmeet/> - .VGKZuShDec8

In addition to the course fee, students pay for their own meals and accommodations at Pendle Hill. You can choose a single room or share a room with a classmate. You need not stay at Pendle Hill to participate. Commuters are welcome.

The meals at Pendle Hill are planned and prepared with a sense of joy and celebration. Most foods, including bread and other staples, are homemade, and they make extensive use of organic fruits and vegetables from their garden and local Community Supported Agriculture initiative. All meals include vegan and vegetarian options. Do you have diet restrictions? Not a problem!
